The voice of the church needs to be heard strongly in education as we face one of the biggest challenges to the future of southern Africa. It is important to recognise that the Anglican Church has 350 church schools in Province (ACSA) and ABE is growing that number. We need to support the existing schools and mobilize champions to grow new schools.

There will be snacks and drinks served prior to the AGM.

### **Directions to Zonnebloem Estate**

Take the Searle Street off-ramp from Nelson Mandela Boulevard and into Cambridge Street and turn in to the Diocese of Cape Town offices and Zonnebloem Schools.
